(Somerset Road near Kent Road)

Point to note Dressing in casual with normal shoes, wearing slipper is not recommended. Although the site will provide safety helmet but participants are encouraged to bring along their own one. Drinking water may be provided during presentation in the Project Office.

Background of the project

The Shenzhen Western Corridor(SWC)/Hong Kong Special Administration Region take the form of a dual three-lane elevated highway linking at Ngau Hom Shek to the Shenzhen Section of SWC at the boundary of HKSAR in Deep Bay. The main elements of the works include approximately 3 Km viaducts with precast segmental deck, and a cable stayed bridge of main span 210m with steel girder deck and a 160m tall concrete tower. The SWC Construction project was commenced in August 2003, and is due for completion in December 2005.

Registration Procedure: -

1. No fax registration is accepted. Please post the completed reply slip with crossed cheque to the Secretariat Office of ICW HK Branch.
2. The closing date for registration is **3 August 2005**. Maximum number of participants is restricted to 35, all seats are reserved on a first-come-first-serve basis. Priority will be given to paid-up members of ICW(HK Branch).
3. Confirmation will be emailed to the participants seven days prior to the event. In the event of over-subscription, the later-comers will be informed and the cheques will be returned one week after the event, if any.
4. In the event of black rain or typhoon signal no. 8, the site visit will be postponed. No refund will be entertained except in these circumstances.
5. This is the Branch's policy to subsidize CPD activities. Members will receive 3 CPD hours in this event. CPD Certificate and Certificate of Attendance will be issued to members and guests in the visit.
6. Enquires: Mr. Dick Li - 9375 0081 or John Lo - 9628 0353.

Disclaimer: Institute of Clerks of Works of Great Britain (Hong Kong Branch) will not be liable or provide any type of insurance coverage to the participants for any personal accident, property loss/damage or virus infection arising from the visit. Participants should make their own insurance arrangement at their own expenses.
